

M<sup>r</sup> Isaac F. Height [sic]

Dear Sir

Birmingham Oct 16 1847

I wish to know or understand from you whether you would be satisfied to let Daniel have his family for one thousand dollars by send you a check for the above sum of one thousand dollars. We will give you security for the further sum of two hundred dollars payable in one year which would be the balance or the remained that is acoming [?] to you for them. The reason why I ask time for the payment of the balance of the money is on account of ill health for months and no better yet and I have had no less than five or so Doc Bills to pay which is very high here [?] If you are satisfied to admit of my proposition you can direct me in how to send the Check I can send it to Richmond-Winchester or Baltimore. I wish you to send me an answer as soon as this shall come to hand whether you will or will not accept the check and the security Daniel is well and his wifes letter has been received and he is anxious to see his family. My family is all well except myself my best respects to you and family

Dear Sir

Birmingham Oct 16 1847

I wish to know or understand from you whether you would be satisfied to let Daniel have his family for one thousand dollars by send you a Check for the above sum of one thousand dollars. We will give you security for the further sum of two hundred dollars payable in one year which would be the balance or the remainder that is coming to you for them. The reason why I ask time for the payment of the balance of the money is on account of ill health for some months and no better yet and I have had no less than five or six Do<sup>g</sup> Bills to pay which is very tight here. If you are satisfied to admit of my proposition you can direct me where to send the Check I can send it to ~~New York~~ <sup>Worcester</sup> or Baltimore. I wish you to send me an answer as soon as this shall come to hand whether you will or will not except the Check and the security. Daniel is well and his wife letter has been received and he is anxious to see his family. My family is all well except myself my best respects to you and family.
